Use fonX Cases for Less Radiation

Meet With Your Guardian Angel

“Shields Against Radiation, Protects Your Health”

Mobil devices emit radiation in order to operate. With its radiation shield technology, fonX Angel reduces exposure to radiation, absorbs and redirects it away from your head and body to protect your health.

That's why we call it Angel.

So That You Become A Ghost

“Prevents Spying, Protects Your Health”

Besides radiation shield technology, with its unique Anti-Spying feature; it protects private conversations and keeps eavesdroppers off. Conversations, which may routinely intercepted by spy satellites and radio wave listening devices are secured, you become unreachable as if you are never there.

In other words, you become a Ghost.
